**OFFICE OF THE SECRETARY TO THE PRESIDENT**

*New Delhi, the 5th November 1952*

**No. 66-Pres./52.**—The President has been pleased to award the President's Police and Fire Services Medal for gallantry to the undermentioned officer of the Calcutta Police:—

*Name of the officer and rank*

Subash Lal Dutt, Sub-Inspector of Police, Criminal Intelligence Section, Detective Department, Calcutta Police.

*Statement of services for which the decoration has been awarded*

On the early morning of the 9th September 1951, Sub-Inspector Subash Lal Dutt accompanied by a Police Party went to Room No. 10-A, Galstaun Mansions for arresting one M. L. Gupta alias Seraj, a notorious cheat and forger in connection with several cases of fraud. The officers of the party found the door of the room locked from inside and wanted the culprit to open the door. He got up, took time to dress and suddenly dashed into the attached bath room with a folio bag. As the officers apprehended that he would be destroying valuable evidence they tried to break open the door but failed. The Sub-Inspector then got into the room through the fan-light and made for the bath room. On entering the bath room he found Seraj putting his hand inside the folio bag and about to draw out something. He grabbed that hand and found it to hold a revolver. The culprit fired on him and the bullet hit both his palms. The officer, however, did not lose his grip and tried to keep the hand of the culprit low and in that attempt there ensued a scuffle during which a few more shots were fired at him and he fell down. The culprit then got on top of him and aimed his revolver at the officer's chest when the officer kicked him on the abdomen as a result of which he was flung aside and the revolver dropped from his hand. Picking up the revolver the officer fired the last round at the culprit and threw it out of the window. The culprit then made a bid to escape by the window but the officer caught him by the leg when other officers of the party arrived and fired on the culprit killing him on the spot.

Sub-Inspector Subash Lal Dutt showed commendable courage and tact in dealing with a dangerous armed criminal and even risked his life in securing him.

This award is made for gallantry under rule 4(i) of the rules governing the award of the President's Police and Fire Services Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 8.

*New Delhi, the 10th November 1952*

**No. 67-Pres./52.**—The President has been pleased to award the Police Medal for gallantry to the undermentioned officers of the West Bengal Police:—

*Names of officers and ranks*

(i) Sushil Kumar Ghosal, Deputy Superintendent of Police (Officiating), Jalpaiguri and (ii) Bhupendra Nath Bhattacharji, Inspector of Police, Jalpaiguri.

*Statement of services for which the decorations have been awarded*

On the 3rd December 1951, while Berubari Border outpost staff in the district of Jalpaiguri were patrolling the portion of Berubari-Pachagar District Board Road at Antupara, Police Station Kotwali, District Jalpaiguri, some raiders suddenly challenged them and started firing on them wantonly without any provocation. As soon as this information was received at Headquarters, Sri Sushil Kumar Ghosal hastened to the spot with reinforcements and took charge of the situation. The raiders continued firing every night for more than 10 nights. Not infrequently the officer had to visit the troubled area at odd hours of the night to arrange counter-measures against the inroads of the raiders. The aggressive design of the raiders came to a head when they attempted to dislodge our force from a portion of Berubari-Pachagar Road. In order to maintain possession of this strip of the road it was decided to set up road blocks at both ends. The raiders were strongly entrenched in a position overlooking the positions where road blocks were to be erected. On

the night of the 6th December 1951 the situation worsened and in order to prevent encroachment, road blocks had to be set up without delay. This officer, along with Circle Inspector Bhupendra Nath Bhattacharji of Jalpaiguri, undertook to set up road blocks themselves, knowing full well the magnitude of the risk involved. Between 03-15 and 04-15 hours, under cover of darkness, the two officers crawled all the way (nearly quarter of a mile) from the nearest village and succeeded in establishing the road blocks. In doing so, Shri Ghosal faced grave personal danger and set an inspiring example to the other officers and ranks of his force. He and the Circle Inspector carried bamboos and empty barrels, dug holes on the road and erected road blocks with their own hands. At dawn the raiders saw the road blocks and opened fire on the site. The two empty barrels placed on the southern end of the road were removed later by the raiders under cover of darkness. It was decided that a fresh barricade should be erected there. On 9th December 1951 between 03-00 and 04-30 hours when there was an intermittent firing from the raiders, Shri Bhupendra Nath Bhattacharji again put up a barricade on the road. Throughout this operation Shri Sushil Kumar Ghosal and Shri Bhupendra Nath Bhattacharji displayed exemplary courage and devotion to duty of a high order.

These awards are made for gallantry under rule 4(i) of the rules governing the award of the Police Medal and consequently carry with them the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

**No. 68-Pres./52.**—The President has been pleased to award the President's Police and Fire Services Medal for gallantry to the undermentioned officer of the Bihar Police:—

*Name of the officer and rank*

Sheikh Rozid (deceased), Constable 278, Monghyr District Police, Bihar.

*Statement of services for which the decoration has been awarded*

At about 1-30 A.M. on the 27th November 1951, Constable 278, Sheikh Rozid and Constable 399, Hari Prasad Jha, after patrolling mohalla Shorpur were proceeding towards Bagchapra when they heard villagers from Chandi Asthan shouting that the dacoits had set upon them. The Constables hastened towards the spot and as they arrived at the crossing at Bagchapra they saw a gang of about 30 dacoits retreating from Chandi Asthan. They flashed their torches on the dacoits and commanded them to halt but the latter began pelting brickbats at the two policemen. Undaunted by the odds against them and the fact that the dacoits were armed with bhalas, pharsas and lathis, the two Constables who carried only lathis closed with the dacoits. In the fight that ensued the Constables got separated and while Constable Hari Prasad Jha managed to get away and telephone the Town Police Station for assistance, Sheikh Rozid continued the struggle alone. Though physically a powerful person he could not prevail in a fight in which he was so heavily outnumbered and died fighting in his uniform.

Late Constable Sheikh Rozid throughout this operation showed conspicuous gallantry and devotion to duty with absolute disregard for his personal safety.

2. This award is made for gallantry under rule 4(i) of the rules governing the award of the President's Police and Fire Services Medal.

## PUBLIC NOTICE

## IMPORT TRADE CONTROL

New Delhi, the 15th November 1952

SUBJECT:—Scheme of licensing of Heavy Electric Plant.

**No. 119-ITC(PN)/52.**—The scheme for the licensing of heavy electric power plant has been explained in Chapter III of the Plant and Machinery Handbook of 1952. This Scheme requires that applications for the import of heavy electrical equipment required for specific electric power projects, both for public electric utilities and for power plant equipments of factories, should be addressed in the first instance to the Central Water and Power Commission (Power Wing), Government of India, Simla. This scheme does not apply to electrical equipment required by domestic consumers or industrial concerns or laboratories for purposes other than specific electric power projects. It is accordingly clarified for the information of all concerned that applications for the import of electrical equipment not required for specific electric power projects, whether by established importers, actual users or newcomers, should be addressed directly to the licensing authorities concerned in accordance with the normal licensing procedure prescribed in this behalf in the Red Book from time to time.

## RESOLUTION

## TARIFFS

New Delhi, the 11th November 1952

**No. 1-T(21)/52.**—In pursuance of section 11 of the Tariff Commission Act, 1951 (L of 1951), the Central Government hereby refers to the Tariff Commission for enquiry and report the question of the grant of protection (whether by the grant of subsidies or the levy of protective duties or in any other suitable form) for the encouragement of Titanium dioxide (titanium pigments) manufacturing industry in India.

2. In conducting the enquiry the Commission will be guided by the principles laid down in section 14 of the said Act. In doing so the Commission will also take into consideration:

- (1) the demand for 'anatase' and 'rutile' titanium dioxide pigments in the country by all consuming industries;
- (2) how far other pigments such as lithopone can be replaced by indigenous titanium dioxide, and
- (3) the extent of imports of other competing commodities such as white pigments.

3. Any person, firm or company interested in the industry or in any industry dependent on the use of titanium dioxide pigments who desires that his or its views should be considered by the Tariff Commission may make a representation in writing to the Commission which should be addressed to the Secretary to the Commission, Contractor Building, Nicol Road, Ballard Estate, Bombay-1.
